

WORLDSKILLS EUROPE CERTIFICATE OF PARTICIPATION

WorldSkills Europe recognizes and appreciates the contribution of

Krzysztof Baranowski

as an Expert in the skills competition

Plastering and Dry Wall Systems

representing

Poland

at the Sixth EuroSkills Competition

Budapest, Hungary

26-28 September 2018.

EuroSkills is the largest biennial Skills event in Europe. At EuroSkills Budapest 2018 over 500 Competitors from 28 European countries performed in 37 skills and proved that they are the very best skilled workers Europe has to offer.

Thank you for helping to make this Competition a great success. Your dedication has contributed to the European Skills Movement in order to promote skills excellence, set skills standards, and enhance the development of vocational training and careers throughout Europe. Your involvement with EuroSkills has helped to motivate young people to pursue excellence and use their talents in vocational careers.
